FOR IMMEDIATE RELEASE

**State Route 121-Sarco Creek Bridge in Napa
Major Construction Completed
Caltrans Anticipates Opening New Bridge to Traffic
Week of Monday, November 20, 2017**

NAPA COUNTY – The California Department of Transportation (Caltrans) has completed major construction of the new State Route-121 (SR-121) Sarco Creek Bridge and is now anticipating opening the new bridge to traffic as early as the morning of Monday, November 20, 2017.

The bridge is located on Silverado Trail (SR-121) between Hagen Road and Trancas Street just northeast of Downtown Napa.

SR-121 Sarco Creek Bridge Project

Caltrans started construction of the new SR-121 Sarco Creek Bridge in June 2017. The new bridge replaces the old Sarco Creek Bridge. The old bridge foundation had been scoured due to several decades of current from the creek below and was in need of replacement.

TRAFFIC ADVISORY

SR-121 Detours Lifted-New Approach Lane Configurations

Motorists on SR-121 should drive with caution as crews switch traffic lanes and remove temporary barricades and detour-related signage approaching the new bridge.

Caltrans thanks you for your patience as we maintain California's bridges and highways.
